

**TO INVESTORS IN/MEMBERS OF MIRROR TRADING INTERNATIONAL (PTY)
LTD (IN LIQUIDATION) (“MTI”)**

The liquidators of MTI have obtained an order in the High Court of South Africa (Western Cape Division), authorising substituted service of summonses issued by the liquidators against investors/members who withdrew more bitcoin from MTI than the number of bitcoin invested in MTI by them. In those summonses the liquidators claim return, alternatively payment of the value, of the bitcoin so withdrawn in excess of the bitcoin invested.

A copy of the court order can be viewed on the following website:

Each investor/member against whom summons has been issued can access it by accessing the MTI database through the aforesaid link, and using the unique logon particulars chosen when the member/investor registered as a member/investor of MTI. In the event that a member/investor does not recall a password, a password reset facility will be available.
